

# **Independent Auditor's Report**

To the Shareholders of GMM Grammy Public Company Limited

I have audited the accompanying consolidated financial statements of GMM Grammy Public Company Limited, its subsidiaries and its jointly controlled entities, which comprise the consolidated statement of financial position as at December 31, 2014, and the related consolidated statements of income, comprehensive income, changes in shareholders' equity and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information, and have also audited the separate financial statements of GMM Grammy Public Company Limited for the same period.

## **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Thai Financial Reporting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

## **Auditor's Responsibility**

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Thai Standards on Auditing. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of GMM Grammy Public Company Limited, its subsidiaries and its jointly controlled entities and of GMM Grammy Public Company Limited as at December 31, 2014, and their financial performance and cash flows for the year then ended, in accordance with Thai Financial Reporting Standards.
